# Light is Pollution

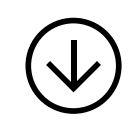

Scroll to see the truth beneath light

We lit every building. We lost every star.

More buildings lit..."  
"Artificial light reaches every window."  
"Brightness spread, and stars dimmed."  
"We didn't notice what we were erasing."

More buildings lit..."  
"Artificial light reaches every window."  
"Brightness spread, and stars dimmed."  
"We didn't notice what we were erasing."
